

## WHAT YOU SHOULD KNOW ABOUT ORDERING ARC MATERIALS FOR EVENTS

Active Relationships Center (ARC) has TWO separate curricula for Strong Bonds. **Active Military Life & Resiliency Skills (AMLRS)** is the program for adults, and **Active Military Families (AMF)** is the program designed for adults and children together. When attending the Strong Bonds Training Conference Track 3, you will simultaneously become certified in BOTH programs.

Those who attend the SB Conference Track 3 will receive a Leader's Guide for **Active Military Life & Resiliency Skills** and a Leader's Guide for **Active Military Families**. Both Leader's Guides include DVD sets and Power Points.

See the chart below to better understand which books to order for your Strong Bonds Active Relationships classes for troops and military family members who attend with them.
